

Yukhnovskii Institute for Condensed Matter Physics
National Academy of Sciences of Ukraine

Webinar
Statistical Physics
of Complex Systems

**Topology and morphology
of polarization states in
ferroelectric nanostructures**

Speaker: **Svitlana Kondovych**
(Leibniz Institute for Solid State and
Materials Research, Dresden, Germany)

Date: Thursday, 9th October 2025

Time: 14.30 Dresden / 15.30 Lviv

Place: online via [Zoom](#)
