

Seminar of Doctoral College
for the Statistical Physics of
Complex Systems

A thermodynamic framework for exploring and controlling quantum trajectories on quantum computers

Speaker: **Federico Carollo** (Statistical Physics group,
Centre for Fluid and Complex Systems, Coventry
University, U.K.)

Date: Monday, 10th March 2025

Time: 13.30-15.00 Coventry / 14.30-16.00 Leipzig
and Lorraine / 15.30-17.00 Lviv

Place: online via [Zoom](#)
