

Seminar of Doctoral College
for the Statistical Physics of
Complex Systems

Harnessing finite-size effects to gauge aging in the 2D Ising model

Speaker: **Dustin Warkotsch** (Institut für
Theoretische Physik, Universität Leipzig,
Germany)

Date: Thursday, 14th May 2026

Time: 13.30-15.00 Coventry / 14.30-16.00 Leipzig
and Lorraine / 15.30-17.00 Lviv

Place: online via [Zoom](#)
